American Gas Engineering Journal

323
1458

VOLUME CXIII

Sixty-Second Year

From July 1, 1920, to December 31, 1920

American Gas Light Journal, Inc.
Publishers
150 Nassau Street New York City

A

ADAMS, W. W.—Miner's Yearly and Daily Output of Coal, A..... 125
ADDISON, S. G.—Peterson Advocates Permanent Advertising to Children..... 67
Peterson Begins Selling by Telephone..... 116
Peterson Begins Three-Point Advertising Campaign 133
Peterson Philosophizes on Service..... 153
Peterson Tells How to Sell All Gas Kitchen 47
ALWYN-SCHMIDT, L. W.—Earning Possibilities Not Always the Main Lure of an Investor to an Industry..... 81
European Gas Industry Faces Many Difficulties 123
European Influences Affect Gas Industry in Other Parts of the World..... 441
Great Fundamental Economic Question Which Finally Must Settle All Rate Controversies Not Yet Touched Upon.. 361
Lack of Easily Accessible Information on Financial Standing a Handicap to Gas Industry Financing 235
Schemes That Were Held Fanciful Begin to Be Considered Seriously as Solution of Europe's Fuel and Power Problems.... 27
AMERICAN GAS ASSOCIATION — Attendance at 1920 Convention of American Gas Association by Far Surpasses Anything in Gas Association History.. 417
Exhibition of the A. G. A. Convention One of the Outstanding Features..... 436
New President of American Gas Association a Utilities Man in the Broadest Sense of the Word 433
†Another Convention 399

B

BALTIMORE—Baltimore Consolidated Meets Public Half-way and Gains Hearty Co-operation 165
BARTLETT, JOHN H., JR.—French Experience with Gas-Fired Boiler Installation Demonstrates Possibility of Complete Combustion of Low B.t.u. Gas Without Preheating Supporting Air.... 321
BARTON, W. H.—Standardization of Procedure and Records in Gas Service to Consumers 531
BY-PRODUCTS — Advocates Regenerative Coke Oven in Localities Where Its Use Is Practical as Most Efficient Means of Gas Manufacture 237
Gas Works and Benzol..... 205
Looks to Benzol Only as a Help-Out in Motor Fuel 87
Need for Greater Stress on the Chemical Phases Emphasized by By-Product Possibilities That Are Becoming Manifest.. 431
Recognition by Gas Industry That By-Product Oven Is Its Opportunity for Development in Efficiency and Economy Marks Distinct Period in By-Product Progress 83

C

CARPENTER, E. D. — Attitude Toward House Heating, The..... 161
Some Attractive Appliance Advertisements.. 353
With the Price of Gas Such as to Return a Profit on Its Manufacture Profit on the Appliance Idea Will Be Adopted Only if It Actually Promotes the Aggregate Sales 41
CARTER, R. S.—Minimizing Accidents in Distribution Work 327
†Change in B.t.u. Standard..... 515
†Christmas in the Gas Field..... 537
COAL—Bill Creating Special State Commission to Supervise Coal Industry Before Indiana Legislature 95
†Coal Regulation Wrong..... 473
COBB, J. U.—Possibilities of Large-Scale Use of Oxygen in Gas Production..... 5
COMMERCIAL—Must Fight Electrical Men for Business if Industry Is to Continue to Advance, Says Ballinger..... 489
Newspaper Gains 25 Per Cent Increase in Capacity by Use of Gas in Place of Coal 491
†Consolidating for a Real Gas Business..... 186
CONSTRUCTION NOTES.....232, 252, 319
†Convention Ahead, The..... 330
Cost of Smoke to the Individual and to the Community, The 14
CRAWFORD, H. M.—"Free as Air"..... 141

D

DENCH, ERNEST A.—New Crop of Advertising Ideas You Can Use..... 68
Novel Contests and Souvenirs of General Appeal 405
†Department Head as the Subordinate Views Him, The 203
DEPRECIATION—No Accurate Estimates Can Be Made on Useful Life of Public Utility Property Except as to Minor Elements 43
DICKERMAN, J. C.—Sees the End of Use of Oil in Gas Making..... 25
DION, A. A.—Carrying On by Means of Improved Plant Against Highly Adverse Conditions 181
†Distinct Influence on the Thought of the Gas Industry, A..... 428
DISTRIBUTION — Automobile Cost Accounting 344
Central Gas Appliance Testing Laboratory Idea Eminently Correct and if Properly Handled Can Be Made to Function Successfully from the Start..... 385
Financial Conditions of Gas Companies Dependent Upon Meter Efficiency..... 505
Gas Piping for New Dwelling Houses in Great Britain 508
Laying Submerged Pipe in Canadian Practice 220
Minimizing Accidents in Distribution Work. 327
Natural Gas Man Has to Face Many Distributing Problems, Says Macbeth..... 510
Should Pipe All Buildings for Gas, Says Committee 530
Use of Governors and Regulators in Gas Distribution 279
†Does the Gas Industry Lack Vision?..... 329
†Double Interest in Forthcoming Convention, A 371
†Drifting to the Other Side..... 149

E

†Educating the Public..... 474
EXPORT—European Influences Affect Gas Industry in Other Parts of the World.. 441

F

FAIRSERVIS, WALTER A.—Hold Labor in Utility Field Should Receive Higher Wage Than in Any Other Calling..... 301
Labor Must Return to Pre-War Basis of Production Even Though Wages Will Never Again Strike Level Hitherto Deemed Normal 391
No Circumstances Apparently Under Which Public Is Willing to Concede Utility Employee's Right to Strike..... 343
Period of Prosperity Not Far in the Distance, Is the Opinion Gathered from Viewpoints of Company Executives Assembled in New York..... 419
Tracing the Gas Industry's Labor Problem to Its Source..... 277
Unwritten Law That Utilities Labor Will Not Strike Not Sufficient Assurance That Public's Vital Needs Will Not Be Jeopardized 233
FARRINGTON, FRANK—Are You an Amateur? 45
FINANCE—Just How Much the Policyholder Is Interested in the Financing Welfare of Public Utilities..... 65
Lack of Easily Accessible Information on Financial Standing a Handicap to Gas Industry Financing 235
†From a Proper Perspective..... 310
FUEL—Future Interests of World Demand Present Realization of Oil Problem, Declares United States Authority..... 469
†Future for the Gas Engine, A..... 400

G

†Galena Situation Again, The..... 538
Gas and Oil Turbine, The..... 243
†Gas Heat Brought to the Fore..... 167
†Gas Lighting and Gas Financing..... 49
†Gas Men Oppose Immigration Restriction.. 516
†Gas of To-morrow, The..... 428
†Gas Problem in Politics..... 516
Gas Works Expedients..... 199
GEBHART, W. F.—Present Tendency Upwards in Prices Began Quarter of a Century Ago 105
†Getting Down to Brass Tacks..... 400
†Getting Them in Their "Off" Moments... 150
GROW, C. M.—Developing the Field for Gas in Domestic and Commercial Heating.. 289

H

HAMILTON, E. R.—Experiments Towards Ridding Halifax Gas of Unusual Amount of Sulphur 202
HEATING—Attitude Toward House Heating, The 161
Developing the Field for Gas in Domestic and Commercial Heating..... 289
Reaping an Excellent Harvest..... 350
†Taste of Cold Weather, The..... 288
†Helpers in the Domestic Problem..... 50
HENDERSON, W. M.—Use of Governors and Regulators in Gas Distribution..... 279
HILL, D. L.—Laying Submerged Pipe in Canadian Practice 220
HODSON, H. J.—Possibilities of Large-Scale Use of Oxygen in Gas Production 5
†How Different the Viewpoint..... 9
†How Is It With Him at Home?..... 70
HUDSON, W. T.—Diminishing Supply of Hard Woods Makes Better Market for Gas in Curing Meats and Fish..... 324

I

INDIANA—Special Coal and Food Commission Appointed in Indiana..... 147
INDUSTRIAL FUEL—Advantages of Gas for Expanding Locomotive Tires an Entering Wedge for Business in Railroad Shops 304
Advantages of Gas Fuel in the Heat Treatment of Metals..... 283
American Direct-Fired Coal Ovens Ideal for Converting to Gas..... 302
Bleaching Operations That Offer Field for Gas 1
Composition of Certain Special Cements and Solders into the Manufacture of Which Gas Enters 121
Determining the Influence of Excess Gas on Fuel Consumption in Gas-Fired Oven Furnace 397
Diminishing Supply of Hard Woods Makes Better Market for Gas in Curing Meats and Fish 324
Disposal of Waste from Gas Plants..... 363
"Free as Air" 141
Gas as an Aid in Manufacture of Solders... 101
Gas Becoming the Almost General Fuel for Japanning 509
Gas the Industrial Fuel of the Future..... 354
Gas the Perfect Fuel for Forging..... 308
Makes Strong Case for Gas for Core Baking 407
Ninety Per Cent of Non-Ferrous Alloys Melting Business Rightfully Belongs to Gas Company 425
Practically All Work Done in Garage Repair Shop That Requires Heat Can Be Done With Gas 449
Seventy-Five Per Cent of Galvanizing in Chicago Done by Gas..... 393
Steam Generator and Air Heater Gas Man's Entering Wedges in Seeking Industrial Business in Celluloid Industries..... 213

Taking All Factors into Consideration Gas Can Be Proved Least Expensive as Well as Most Economical Fuel for Asphalt Melting 345
Use of Gas in Educational Institutions.... 395
Use of Gas in Making Casein, Celluloid Adhesives, Dental Cements, Etc..... 342
Use of Gas in the Meat-Packing Industries of Baltimore 307
Where Gas Enters in the Enamel Industry.. 21
Where Gas Fits in for Varnish Boiling..... 303
Will Recommend Federal Regulation of Coal Industry as Only Solution of Vital Problem of Supply..... 465
Use of Gas in Soldering Includes Variety of Industries 61
†Influences That Will Work for Benzol Recovery from Gas Manufacture..... 241
†Interesting to Have Their Viewpoint..... 10
Internal Combustion Engine, The..... 144
†Is There an Emergency?..... 89

K

KALLSTEDT, C. H.—Taking All Factors into Consideration Gas Can Be Proved Least Expensive as Well as Most Economical Fuel for Asphalt Melting..... 345
KANE, M. L.—How Should "New Business" Be Viewed To-day?..... 207

L

LABOR—Hold Labor in Utility Field Should Receive Higher Wages Than in Any Other Calling..... 301
Tracing the Gas Industry's Labor Problem to Its Source..... 277
†Labor Savers 400
†Labor Takes a Turn..... 400
LEE, LEON—Moving Pictures as an Educational Factor in Building Good-will.. 143
LIGHTING—Baltimore Consolidated Meets Public Half-way and Gains Hearty Co-operation 165
But One Bowl on Eight Fixtures Broken in Four Years of Service..... 71
†Lighting for Heat..... 222
LOGUE, R. G.—Advantages of Gas Fuel in the Heat Treatments of Metals..... 283
†Lower Labor Costs at Higher Wages..... 242

M

†Makes for Greater Benefit from Convention 168
MANAGEMENT—Continuous Inventory of Fixed Capital of Vital Importance..... 535
Earning Possibilities Not Always the Main Lure of an Investor to an Industry..... 81
European Gas Industry Faces Many Difficulties 123
Hold Labor in Utility Field Should Receive Higher Wages Than in Any Other Calling 301
Labor Must Return to a Pre-War Basis of Production Even Though Wages Will Never Again Strike Level Hitherto Deemed Normal 391
No Circumstances Apparently Under Which Public Is Willing to Concede Utility Employee's Right to Strike..... 343
Peoples Gas Light & Coke Company Offers Chance to Aid in Running Its Offices.. 529
Schemes That Were Held Fanciful Begin to Be Considered Seriously as Solution of Europe's Fuel and Power Problems..... 27
Seattle's Plan to Give Employees Such Fair Treatment That the Union Is Unnecessary to Them Has Made Community a Strikeless City 63
Standardization of Procedure and Records in Gas Service to Consumers..... 531
Subordinate's Measure of His "Boss," The.. 197
Unwritten Law That Utilities Labor Will Not Strike Not Sufficient Assurance That Public's Vital Needs Will Not Be Jeopardized 233
MANUFACTURE—Accidents to Employees When Off Company Premises Can Be Prevented, Declares Tewksbury..... 487
Carrying On by Means of Improved Plant Against Highly Adverse Conditions.... 181
Coal Shortage Brings Gas to Front in English Coal Problem..... 513
Future Interests of World Demand Present Realization of Oil Problem, Declares United States Authority..... 469
Oil Gas a Possible "Way Out" Even With Eastern Gas Companies..... 387
Possibilities of Large-Scale Use of Oxygen in Gas Production..... 5
Sees the End of Use of Oil in Gas Making.. 25
Should a Pulley Be Made of Wood, Paper, Cast Iron or Steel?..... 152
Substitutes for Human Senses Have Wide Variety and Make for Economy in Gas Supply 367
U. S. Scientists Seek Method to Control Sulphur in Gas..... 467
McINTYRE, V. S.—While Costs of Materials Have Increase as High as 400 Per cent, Increased Price of Gas to Consumer Has Averaged Only 80 Per Cent. 189
MERCHANDISING — American Gas Association Sub-Committee Moves for Radical Changes in Sales Organizations... 163
Are You an Amateur?..... 45
Co-operative Plan in Baker, Ore..... 170
Gas Becoming the Almost General Fuel for Japanning 509
Gas Company Tells Customers How to Reduce Gas Bills 333
Gas Stoves and Appliances for Christmas... 331
Investigations Show Campaigns Are Successful in Achieving Results..... 366
How Shoul "New Business" Be Viewed To-day? 207
Into a Warm, Cozy Room..... 541
Looking Ahead to Sell Gas Appliances..... 239
Must Study Subject to Successfully Advertise Gas Business, Is His Opinion..... 507
Novel Contests and Souvenirs of General Appeal 405
New Crop of Advertising Ideas You Can Use 68
Peterson Advocates Permanent Advertising to Children 67
Peterson Begins Selling by Telephone..... 116
Peterson Begins Three-Point Advertising Campaign 133
Peterson Philosophizes on Service..... 153
Peterson Tells How to Sell All Gas Kitchens 47
Proper Cost Distribution Turns Losses to Gains in Merchandise Department..... 477
Selling Customers to Sell Themselves..... 46
Selling the Best Appliances and at a Fair Profit Sure Way of Establishing New Business Department on Profit Earning Basis 33
Some Attractive Appliance Advertisements.. 353
Use of Gas in Educational Institutions..... 395
With the Price of Gas Such as to Return a Profit on Its Manufacture Profit on the Appliance Idea Will Be Adopted Only if It Actually Promotes the Aggregate Sale 41
†Meter Question, The..... 516
†Motor Fuel of the Future, The..... 90
MUNICIPAL OWNERSHIP — Municipal Ownership a Menace That Must Be Overcome for the Good of the Gas Industry, Says Writer..... 485

N

NATURAL GAS—Natural Gas Man Has to Face Many Distributing Problems, Says Macbeth 519
NEW YORK—Consolidated of New York Authorized to Charge $1.20 a Thousand Cubic Feet 118
‡N. Y. Consolidated Maintains $7 Dividend Rate Despite Rising Cost..... 377
$1 Gas Ordered by U. S. Courts for New York 15
†New Viewpoint, A..... 451
†No Need of Impatience..... 287
†No Sign of Relief in the Motor Fuel Demand 452

O

†Of Course 110
OIL SHALE—Representatives of the Independent Oil Men's Convention Visit the De Beque Shale Fields..... 410
†One Wonders 185

P

†People Talk of Central Gas Heating Plants. 221
PERSONAL NOTES—55, 176, 252, 340, 384, 415, 483, 504, 542
†Piping Buildings for Gas..... 538
†"Plenty of Oil if You Can Pay the Price".. 349
†Popular Ownership of Companies..... 474
†Pressures and Gas-Range Lighters..... 204
Prospects for Improvements in Small-Town Plants 50
PUBLICATIONS — "Casing Troubles and Fishing Methods in Oil Wells"..... 166
PUBLICITY—Moving Pictures as an Educational Factor in Building Good-will.. 143
People Slowly Being Brought to See That Utility Companies Are Just Like Other Concerns and Cannot Do Business at a Loss 421
PURIFICATION—Experiments Towards Ridding Halifax Gas of Unusual Amount of Sulphur 202

R

‡Ralph Elsman Buys Kings County Lighting Co. 435
RATES AND RATE MAKING—Contractual Obligations of Utility Corporations Under Their Franchises 447
Great Fundamental Economic Question Which Finally Must Settle All Rate Controversies Not Yet Touched Upon... 361
$1 Gas Ordered by U. S. Courts for New York 15
Present Tendency Upwards in Prices Began Quarter of a Century Ago..... 105
Status of Private Property and the Future of Individual Enterprise Now Being Fought Out in Numerous Court Rooms..... 443
While Costs of Materials Have Increased as High as 400 Per Cent, Increased Price of Gas to Consumer Has Averaged Only 80 Per Cent 189
